Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 24 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Thursday dry, warm at first. Rain feeding from west later.

Today:
A dry morning with some good sunny spells and becoming quite warm and humid in east. Then becoming cloudier with rain, some heavy, reaching the northwest around midday and spreading southeast to all areas by late afternoon. Maximum temperature 22 deg C (72 deg F).

Tonight:
A wet start to the evening then becoming drier with some clear intervals, just the odd light shower around Lough Foyle. A fresh northerly breeze. Minimum temperature 10 deg C (50 deg F).

Friday:
Mostly dry, cloudy at first but the north coast becoming mainly sunny in the afternoon and sunshine breaking through elsewhere in the north and west later, Fresh northerlies easing. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
A lot of dry weather with some sunny spells, and becoming warmer. Perhaps cloudier for a time on Monday.
